You will have great fun with your cat. Lots of ribbons. Go to our website: [www.SanDiegoCat.org](http://www.SanDiegoCat.org) and call the Entry Clerk for how to enter the show. 8 judges will judge the kitties all weekend long. So be prepared to spend Saturday and Sunday with your kitty.

Meet up to 41 breeds. It's wonderful to see the curly haired, the naked, the shorthair and the longhaired kitties. **Buy your kitty a new favorite toy, cat tree or food. Find Feline art that fits right in at your house.**

## **WHO ARE WE?**

San Diego Cat Fanciers is a nonprofit Cat Club, devoted to the welfare of cats. We are a member club of the Cat Fanciers' Association, Inc. (CFA), and belong to CFA in the Southwest. San Diego Cat Fanciers was formed in 1946 by a small group of dedicated people who wanted to share their love of cats, both pedigreed and non-pedigreed, with others.

## **WHERE DOES THE MONEY COME FROM?**

San Diego Cat Fanciers gratefully accepts corporate and individual donations. 95% of our income comes from the production of two yearly cat shows to benefit organizations also dedicated to the welfare of these special companions.

## **WHERE DOES THE MONEY GO?**

All of the net proceeds of our cat shows go to the benefit of our furry companions. *It should be noted that we have no paid officers, directors or employees.* Each and every member of San Diego Cat Fanciers donates his or her time, talent and skills, without charge, so that all of the proceeds of our shows may be used to benefit the cats.

We also make space available at our shows for adoption of shelter and other rescued cats and kittens. This year we anticipate that local rescue and humane groups will have dozens of homeless cats and kittens available for adoption and looking for homes.

## **WHO IS CFA?**

The Cat Fanciers' Association (CFA) is a non-profit organization, founded in 1906, and is the largest and most prestigious registry of cats. Each year CFA sponsors over 400 cat shows throughout the world to raise money for a variety of causes to benefit our feline companions.

One such organization is: The Robert H. Winn Foundation is a non-profit organization, founded by CFA, which supports health related studies into medical problems affecting cats. Additionally, the Winn Foundation sponsors an annual feline health symposium and publishes periodic updates on funded veterinary studies. The Winn Foundation is supported by contributions from CFA, corporate, cat club and individual donations. All administrative and operational costs of the Winn Foundation are covered by CFA; so that 100% of all contributions

are used to benefit cats.
