

RESCUE ORGANIZATION (RO) INFORMATION

SHOW DATES: **January 27 & 28, 2018**

SHOW: **THE FOOD and WATER BOWL**

CLUB: **San Diego Cat Fanciers**

All RO space assignments are managed by the **Vendor Coordinator**

Vendor Coordinator Contact info: Carmen Martino, 339 Dorsey Way, Vista, CA 92083
Vendor@sandiegocat.org 760-442-5489

NOTE: ALL SPACES ARE AVAILABLE TO VENDORS FIRST. VENDOR SPACE CLOSING DATE IS 1/12/2017 and RO's WILL BE ASSIGNED after that. Accepted RO's will be notified via email subsequent to that date. AGREEMENTS must be returned not later than 1/17/2017.

The rescue/shelter must be a 501(c)(3), nonprofit organization. Preference is given to rescue/shelters located in San Diego county and to groups who will bring cats to the show to be placed.

RO's that bring rescue cats for adoption, and do not sell items, will receive one (1) **FREE** 10X10 space which will include: up to two (2) 3'X8' tables & two (2) chairs;

No cages supplied without prior approval, but cats must be in cages appropriate for cats (carriers for example are not acceptable). Cats should be clean.

RO's that **SELL** items, in addition to having rescue cats available for adoption, must pay a fee of \$150. RO's that **SELL** must include a fee check with the completed and signed RO Agreement. The fee check must be received by the RO Coordinator with the agreement.

All display and literature distributed is subject to club approval. The club has the right to ask such items be removed or the group leave.

ALL Hall and Show Rules apply to RO's including but not limited to:

- 1. Cannot attach anything to the walls**
- 2. Cannot leave cats overnight**
- 3. Must provide their own cages, litter boxes, water and food for their cats**

SUGGESTION: The objective for RO's is to have their cats adopted. Lining the cage with dark material may make it harder for the cats to be viewed by potential adoptees, especially the black cats. Thus, it is recommended that every RO cage be lined (bottom, sides and top) with white hard board. This is a suggestion; NOT a requirement!

We also offer a free entry in our Household Pet competition. This aids in placing cats.

RO's may set-up their spaces/cages Friday between **11:00 AM and 5:00 PM** or **Saturday morning 7:30 to 8:30 AM.** RO's may **NOT "tear down"** their spaces/cages until **AFTER all Show Judging is completed on Sunday.**
